

Long Island Vettes presents:

*"Spring Tech Session"*

We will be meeting at Paul's Rods & Restos on Saturday May 18, 2019 from 9:00 AM until 12:00 PM for an exciting and informative session.

Come check out Paul's 28,000+ square foot facility specializing in all phases of the auto restoration repair. From street rods to muscle cars to customs to classics to resto-mods or for any of your auto restoration needs, Paul's is the answer.

We are not requesting any preregistration or fee. However, we ask that you **please** contact Perry Beek at [perrybeek@gmail.com](mailto:perrybeek@gmail.com) so that we know you will be attending.

Come on down to:
